OUR RELATIONSHIP IS...

Then why'd you ask us to find a place..
Ahhh- that-
To make you two go out for coffee together♡
sorry sorry
Got two of them there anything to do with it
hmmph

.....
Do hoobae will probably disappointed.
She really liked this place...

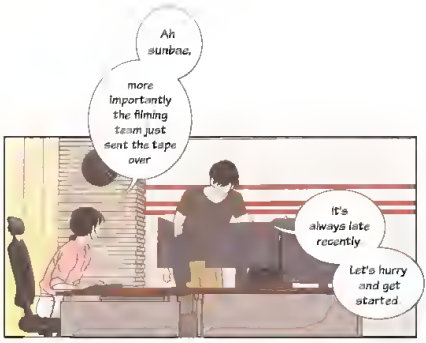
Well there's nothing that can be done then.

Do hoobae's so chill!
(fell for her anew)
Going to the place i had chosen would've been a lot of pressure,
so it actually lifts a burden off of me.

But you really had your heart set on this place.
Are you okay?
Um-
it's a little disappointing but-

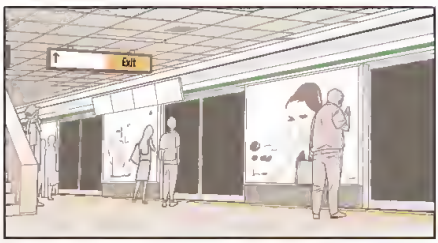
Sunbae, do you happen to remember Yeri unnie and Yoojin?
Yoojin..
Yeri..
Yoojin
Yeri

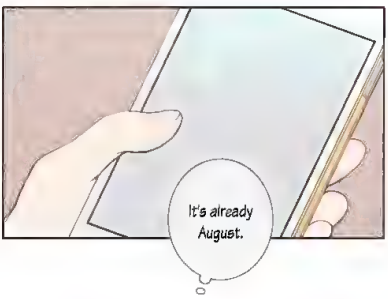
I thought about it and though we've been going to school together, we haven't gone on a trip together.
We could go on a trip next year,
to that pension i was looking at before.



As the airing date of the mini series Chanhee sunbae and I are in charge of is getting closer

I've gotten so busy and allnighters became more frequent.



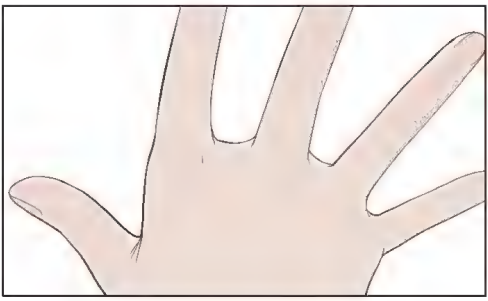


As I got busier, time flew by fast

(going home after pulling an allnighter)

... I wonder if Han Woojin and Yoojin will try to schedule their classes together.

It never relationship still good?



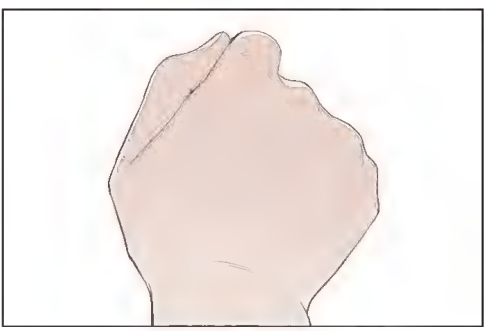
Have they held hands yet?

How does it feel to hold hands with a guy?

Han Woojin's hand is quite a bit bigger than mine.

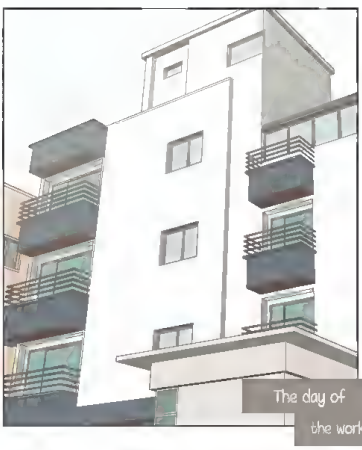
His bones are big too...

I want to intertwine
my fingers and hold hands.

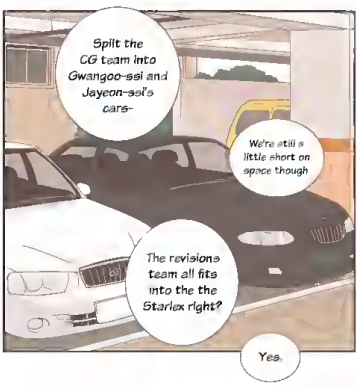


Even if I have these fantasies and
I like him more, in the end only I will be hurt.

Let's stop.



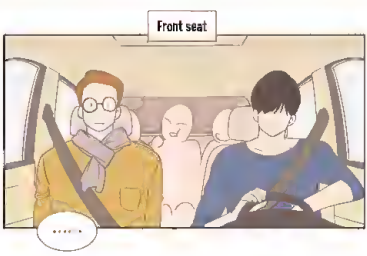
The day of
the workshop



Split the CG team into Gwangoo-ssi and Jaycon-ssi's cars-
We're still a little short on space though
The revisions team all fits into the the Starlex right?
Yes.

Then of the editing team, team 1 and team 2 got to those cars,
and the CG team, the rest of us and I, will got to Chan-hee-ssi's car.
Yes sir.

T/N maknae - the youngest member of a family, group, etc



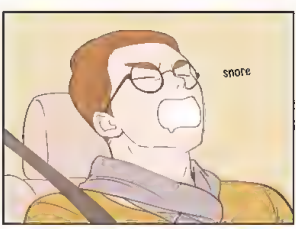
I tried to put Gayoung-ssi next to Chanhee-ssi but... ㅠㅠ

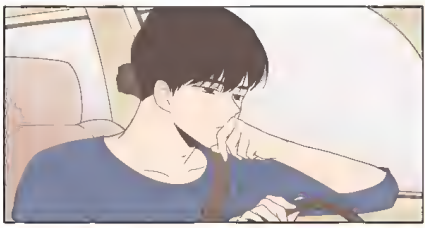
Would the maknae sit in the front with the director there?

Stop trying to interfere .. tsk tsk

What's wrong with a married man wanting to see the birth of a young couple ㅠ!!

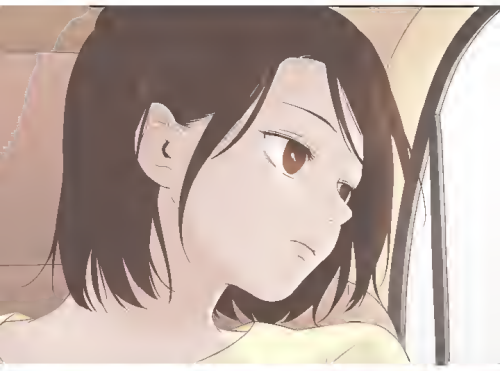
<Conversation between the director and the revisions team leader>





Recently I haven't been able to contact Yoojin

I asked Yeri unnie, but she doesn't know what's going on either



I was going to talk to Yoojin directly, but I decided to just let it go

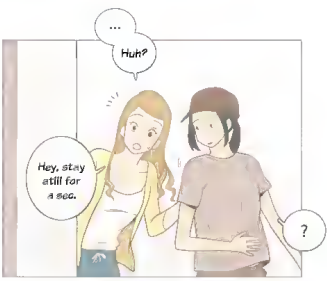
I'm tired of saying sorry..

I'm sick of being miserable too

But-

One month ago-

Ah- why do you have to go the convenience store when it's only the morning-
I'm hungry, okay!
There isn't a place that delivers at this time either...



That's him right?
That oppa that Yoojin unnie is going out with!
T/N oppa - term for younger girls to call older guys
Wow
Oh my god.
I heard they're friends
But what's going on between friends who are parting in front of a one room apartment in the morning?

And in the time that I left that situation alone, all sorts of rumors have been going around about me and Han Woojin

I never would have even imagined.
